

Schedule of land held by Witherlack Meathop and Ulpha Parish Council 2024

NB: This sheet shows only those plots that are actually registered to the parish council, with Land Registry numbers.

The colours represent multiple registrations under one Registry Number

Others: Nos 9, 16 and 20 were never registered (declared not worth registering) and should be removed from the PC list of land holdings

No 4 has already been removed from the list and ownership of No 19 has been transferred by Minuted agreement.
